44th Annual Obesity Conference Region 7 is coordinating with six area intergroups to participate in the upcoming **Obesity Convention Nov 14-17 at National Harbour Convention Center in the Washington D.C. area.** Geared to professionals, this international conference features the newest developments in transformational care and evidence-based science for the prevention and treatment of obesity. In addition to organizing intergroups' participation, Region 7 will help defray the cost of registration, and World Service will help with the cost of literature and other expenses.

Social Media Campaign Region 7 is continuing its work on the development of a social media campaign on behalf of the 4 intergroups (including ours) that expressed interest in participating. The committee hopes to produce ads and submit to Instagram sometime before the end of this year.

There is an easy way to carry the message on the website. You can help carry the message to other compulsive overeaters or to doctors to share with patients. On the homepage, scroll down to the quick link called "Carrying the Message." Under that link there is a link to a document that you can print and share with your doctor (it is green) and there is also a link to a document that you can print and hang somewhere appropriate (it has a stop sign on it and tear-offs on the bottom). Both of these documents have QR codes on them that will direct the person who downloads the codes to pages on our website. Please carry the message where and when you can.
